GREEN

GREEN is specially developed and configured for the golf market but is also the ideal solution for a host of transportation solutions.

An electrically driven golf cart developing 3-5KW of power through it's 48 volt capacity. The cart brakes using it's regenerative drum braking system and offers a top speed of 25km/h and a range of 100km.

Model GREEN highlights

- Motor: 3-4KW DC/48 volt
4-5KW AC/48 volt
- Battery: 6 x 8V VRLA Batteries
Range Plus 8 x 6V VRLA
- Range: Up to 80Km
or 100 km with Range plus
- Lighting package and horn
- Speed: Up to 25kmh
- 8" or 10" Aluminium wheels with turf tread tyres
- Drainroof+ technology

Optional Extras

- Weather protected driving cab
- Dust sheet XL
- 2 rear mounted seats
- Tow bar
- 8"-10" aluminium wheels
- Double USB charger
- Digital display
- Solid or folding windscreen
- Increased range with 8 x 6 volt AGM batteries

TERRA

Light but powerful, the off road cart TERRA is built for rugged terrain and can be easily adapted for Road use.

An electrically driven off-road cart developing 4 - 8 KW of power through it's 48 volt capacity. The cart brakes using it's regenerative drum braking system and offers a top speed of 25km/h with a range of 80km. TERRA XLS can also be adapted for road use with a top speed of 45km/h and a range of up to 100km.

Model TERRA highlights

- Seats: 2-4
- Motor: 4-5KW DC/48 volt
5-8KW AC/48 volt
- Battery: 6 x 8V VRLA Batteries
Range Plus 8 x 6V VRLA
- Range: Up to 80 km with Range plus
- Lighting package Plus
- Digital display
- Extended wheel arch with MudResist
- Offroad Clearance of 170-230mm
- 10"-14" Aluminium wheels with all-terrain tread tyres
- Windscreen with safety glass and wipers
- Ram protection
- Metal glove compartment
- Drainroof or Drainroof+ technology
- Road usage package available
- Speed: up to 45kmh

Optional Extras

- Weather protected driving cab
- Dust sheet XL
- Double golf bag mounting bracket
- 2 rear mounted seats
- Rear mounted tilting truck bed
- Tow bar
- 4 x LED roof spots
- 10-14" aluminium wheels
- Double USB charger
- Front equipment tray
- Increased range with 8 x 6 volt AGM batteries
